

# UL 2218 **CLASS 4** SHINGLES

## PROVEN IN THE REAL WORLD AGAINST THE ELEMENTS

*Photograph is of an actual Malarkey roof that withstood the same storm as the images shown below.*

METAL ROOF

ASPHALT ROOF

SHAKE ROOF

TILE ROOF

## SAME STORM. SAME NEIGHBORHOOD. DIFFERENT RESULTS.

Prevention is the best defense against natural phenomenons. Malarkey Roofing Products® is dedicated to creating quality roofing materials that deliver protection and longevity to your roof. Protect your investment with the very best in Class 4 impact resistance shingle technology.

*\*Malarkey Roofing systems require algae resistant EZ-Ridge™ shingles or 10" & 12" Hip and Ridge shingles, in conjunction with the algae resistant shingles, to receive the full 20-year algae resistant system warranty. The Alaskan® featuring Scotchgard™ Algae Resistant Protection from 3M can be substituted as hip and ridge shingles, in conjunction with the algae resistant shingles, to receive the full 20-year algae resistant system warranty. 3M and Scotchgard are trademarks of 3M Company.*

*\*\*Results are not always typical and Malarkey does not warrant hail resistance. This version supersedes all previous versions. Rev. 5/14*
